

CREATIVE COMMONS LICENSE

Download OpenDesign and all of its products are covered by a "Creative Commons" license (CC) that defines certain rights for the general public and results in free content.

This product is subject to the rights module "Attribution" (BY). You are free to share, copy, adapt, remix, distribute and further develop this product, also in a commercial way. But the names of the project and the designers must be stated in any consecutive publication or work.

If "person x", for instance, develops this piece, the attribution could be described as follows:

CC BY "person x", as an adaptation of "product x" BY "designers x".

This product is also subject to the rights module "Share Alike" (SA). If you alter, transform or build upon this product, you may distribute the resulting work only under the same, a similar or a compatible license. Here is an example for the use of the license:

CC BY-SA "person x", as an adaptation of "product x" BY "designers x".
